

Popular Topics of the Day.

This filibustering business is growing monotonous; the people who are engaged in manufacturing rumors should switch off and do something else or the government will lose confidence in them. Such reports do the country no good and we fail to see where the rumor makers are benefited—Hawaii does not seem to mind it much for things are as quiet and peaceful here as in a well conducted grave-yard.

We believe we have quite the best stock of leather in Honolulu and it comprises besides sole leather the celebrated Speits light and heavy harness leather, and leather for saddles. The best of russett and red calf skins. Leather for carriage makers, colored lining skins and soft dash leather. All kinds of leather is higher today than it was two months ago; in some instances it has advanced as much as ten per cent, but as we were well stocked before the rise we can sell at the same old price and perhaps a little lower. We have a very complete stock of Shoe and Harness findings and tools for all kinds of leather work—the price of which is entirely satisfactory to all of our customers.

We have the goods and the prices will suit you.

HOW JONAH LOOKED LATER.

An African Convert Supplies History
Where the Bible Is Silent.

Here is a composition written
by a little African girl at Palamas
five years after she was caught
running wild. It was read at a
missionary meeting by Bishop
Clark. The spelling is corrected:

"HISTORY, GEOGRAPHY AND THE EARTH."

Do you know what history is?
History, you know, teaches us
what is to happen in the past
event. Geography shows where
the thing has happened at. History
tells us when Adam and Eve were
created, and geography shows us
where the Garden of Eden is—
which continent and which divi-
sion.

"History tells us that Adam
was the first man that was cre-
ated, and while he was sleeping
God took out one of his ribs and
made Eve. After a while he went
to walk among the trees of the
garden. Conversation took place
between her and the devil. The
devil told her to eat some kind of
fruit which God had told her and
Adam not to eat. She took it and
ate it; also took some for her hus-
band. When Adam saw it he did
not take no time to ask where she
got it from.

"History, geography and the
earth just do go together. One
tells us about this and one tells
about that, etc. Histories are
interesting to read, indeed they
are. It tells us about the whale.
The whale is the largest animal in
the sea. Whale is spoken of by
the Bible. When God had sent
Jonah to Nineveh to preach to
the people about their sins Jonah
refused to go. He went into a
ship with some people. He first
went in there to hide from God,
but God caused a storm to take
place. The ship went from this
way to that way. The people was
afraid indeed, and they began to
cast lots. The lot fell upon Jon-
ah, so they up and throwed him
into the sea.

"While he was going to the very
bottom of the sea he went with
this animal, so the whale said:
'My friend, where are you going?'
Jonah answered and said unto
him: 'I have disobeyed my God
and am trying to hide from his
face.' The whale said: 'You
ought to be ashamed of yourself.
Don't you know that neither I
nor you can hide from his face?'
Jonah said: 'Oh, whale! I am
afraid. I do not know what I
am doing or saying.' The whale
said: 'Oh, Jonah, Jonah, beark-
en unto me, and take heed to your-
self, for, indeed, I will swallow
you up soon.' Jonah said: 'Have
mercy upon me, oh, whale, and if
it is God's will, he will carry me
safely to the land, so I may obey
him.' The whale said: 'Jonah,
put your head in my mouth and
get ready for your life.' Jonah
said: 'Whale, I think you had
better swallow me, because I see
there is no use talking.' The
whale said: 'Jonah, the idea of
your running away from God! You
will bear the consequences; that
is all I got to say.' At the same
time he did swallow him up.

"Jonah thought the whale's
body was his grave and end.
Therefore, Jonah offers up a
prayer to God for his sins if he
should die before he should get
to the shore if it was God's will
to carry his soul to heaven. The
whale did not rest day after day
nor night after night, so after
three days the whale went to the
shore and vomited up Jonah.

"Jonah was like a drowned rat."
